PROFILE

Information Science and Engineering undergraduate with hands-on exposure to Java, AWS, Google Cloud, Git, and web technologies. Interested in cloud computing, artificial intelligence, and agentic AI systems. Experienced in developing technical prototypes and participating in hackathons and national-level competitions.

EDUCATION

Adichunchanagiri Institute of Technology, Chikkamagaluru B.E. in Information Science and Engineering SGPA: 8.05 (1st Semester) — 8.40 (2nd Semester)	2025 – Present 2nd Year
SRS PU College, Chitradurga Class XII	KSEAB 85.2%
SRS Heritage School, Chitradurga Class X	CBSE 76.8%

TECHNICAL SKILLS

Programming	Java
Web Technologies	HTML
Cloud	Amazon Web Services (AWS), Google Cloud
Tools	Eclipse, Git, Git Bash, GitHub

PROJECTS

ORCA – Ocean Reasoning with Collaborative Agents • Developed a multi-agent marine ecosystem reasoning system integrating satellite, sonar, water-quality, and AIS vessel data. • Designed an agentic pipeline consisting of an Orchestrator Agent, specialized analysis agents, Debate & Verification Agent, and Fusion Agent for explainable marine intelligence. • Supports coastal risk monitoring, fisherman assistance, illegal fishing detection, and ocean-health forecasting.	Smart India Hackathon 2026 Technologies Multi-Agent AI LLM Orchestration Vision Models Acoustic AIS Analytics Google Cloud

HACKATHONS & COMPETITIONS

- **Smart India Hackathon (SIH) 2026** – ORCA project shortlisted to the second level through the college internal hackathon selection round.
- **iQOO Hackathon 2026, Hyderabad** – Hackathon Participant.
- **HackWithHyderabad 3.0, Microsoft Office Hyderabad** – Hackathon Participant.
- **MY Bharat Budget Quest 2026** – National Grand Finale Winner.

CERTIFICATIONS & TECHNICAL LEARNING

- Google Cloud Skill Badges in Cloud Computing, Generative AI, AI Agents, Google ADK, Cloud Run, and related Google Cloud technologies.
- Hands-on learning in multi-agent AI systems, Google Cloud, Generative AI, and cloud-based application development.
- **Google Skills Profile:** skills.google/public_profiles/5671602d-89ff-4abf-a962-d44b1642a5b9
- **Credly Profile:** credly.com/users/akshith-kheeran-k-r
